

THE EDISON PACKAGE

\$1,000 / DAY

The budget version of the 7 ton truck package includes all the grip support of the Production Package and anything you can plug in to a 15 Amp circuit. If you don't need the big lights you need this package. And if you are getting a few a la carte big lights this is the truck with the support to complement them.

Parking Footprint: 40' with loading ramp extended. GVWR 22,000 lbs

Mileage: Delivery to Toronto Studio Zone or up to 150 km is included, otherwise \$2/km

Driver Rates: \$380/10 for Truck Manager, \$450/10 for Truck Manager/Swing or Genny Op, \$550/10 for Gaffer/Driver
